

# DOCTOR WHO? DOCTOR YOU.

HERE ARE SOME EVENTS MEDOPP STUDENTS NEED TO KNOW ABOUT. TRUST ME. I'M THE DOCTOR.

## Premed Orientation: What Every Premed (and Pre-dent) Should Know!

Aug. 29th 3pm S203 Mem. Union  
Sept. 5th 1pm S203 Mem. Union  
Sept. 2nd 6pm \*Allen Auditorium

What medical and dental schools look for in their applicants is not a secret; however most students have difficulty sorting through and prioritizing all of "advice" they are given. This presentation will help you decipher what professional schools really want and the importance those prerequisite requirements. This is an overview of Pre-Health Advising at MU and covers all of the basic information about how to determine if medicine is right for you and how to pursue this path at MU. Students are required to attend an orientation session before scheduling a Medopp appointment.

\*During the Premed Society Meeting

## How to Arrange Shadowing, Volunteering and Healthcare Experiences

Sept. 5th 11am & 3pm S203 Mem. Union

How do you really know you want to be a physician? How do you convince the admissions folks that you truly know what it is like to be a physician and involved in patient care? They want to see that you have immersed yourself in clinical settings with real patients. This workshop will show you how to set up these invaluable experiences.

## Bryant Scholars Information Session

Sept. 12th 12pm Honors College Conf. Rm

Learn about the Rural pre-admissions program at the MU School of Medicine. Freshmen and Sophomores are invited to attend.

To be eligible to apply for the Bryant Scholars Pre-Admission Program students must:

- Be in process of completing sophomore year in college
- Have a composite score on the ACT examination of 28 or 1260 (CR+M) on the SAT prior to entering college
- Have a minimum 3.3 cumulative GPA and minimum 3.3 math/ science GPA
- Be a Missouri resident
- Have graduated from a rural High School

## Medopp Pre-Application Year Connection: Sessions for Sophomores and Juniors

Oct. 24, 30, 31 Honors College Conf. Rm  
Nov. 6, 7, 13, 14 Honors College Conf. Rm

The Medopp Pre-Application Year Connection Program was designed to prepare students to prepare for the application process for professional school. These small group sessions are designed specifically for 2nd year and 3rd year students and will cover important topics such as: standardized test prep, timeline of the application process, what's a competitive candidacy and prereqs.

Space is limited; register by calling 882-3893. Each session is limited to 8 students.

## Medopp Freshmen Connection

Oct. 24, 30, 31 Honors College Conf. Rm  
Nov. 6, 7, 13, 14 Honors College Conf. Rm

These intimate group sessions are designed specifically for first year pre-health students who want to maximize their time and competitiveness for professional school. During these sessions your advisor will help you prioritize your commitments and allow you to develop a clear plan for your freshman year and beyond.

Space is limited; register by calling 882-3893. Each session is limited to 8 students.

# MEDICAL AND DENTAL APPLICATION PROGRAM

## MDAP Orientation (Medical and Dental Application Program)

Aug. 21st 3pm Tate Hall 102  
Aug. 29th 11am & 1pm S203 Mem Union

What medical and dental schools look for in their applicants is not a secret; however most students have difficulty sorting through and prioritizing all of "advice" they are given. This presentation will help you decipher what professional schools really want and the importance those prerequisite requirements. This is an overview of Pre-Health Advising at MU and covers all of the basic information about how to determine if medicine is right for you and how to pursue this path at MU. Students are required to attend an orientation session before scheduling a Medopp appointment.

## MDAP: Health Professions Resume Review Days for Juniors and Seniors

Oct. 16th 9:00-3:00pm Medopp Office  
Oct. 17th 9:00-3:00pm Medopp Office

MDAP Participants will receive evaluative feedback on their health professions resume during these individual sessions.

Must register for individual session by calling 882-3893.

## MDAP: Health Professions Committee Interview Process Overview

Dec. 12th Tate Hall 102

Students will receive their application packet at this meeting to start their "official" file in the Medopp office.

## MDAP: Post-Mortem Meeting for Seniors: What Happens Next

Dec. 12th Tate Hall 102

This is the final Medopp meeting for all students who began the application process in 2013 and applied to medical, dental, optometry or podiatry for the 2014 entering class.

What we will cover:

- What to do if you get an acceptance letter!
- What does it mean if you are wait-listed?
- What happens if you don't get in?

We'll also discuss:

- Options for a Gap Year: Post-Bac, Graduate School and Employment
- Re-application process
- How the Medopp Offices assists alumni
